

## Western Athletic Club Class Descriptions

**Weekend Warrior** - Do you want the best total workout possible? Try "Weekend Warrior!" You'll never be bored - every Sunday is a totally different class that works every part of your body and is for EVERYONE - men and women, advanced enthusiasts and novices.

**Morning Boost** – A great way to start your day! It's 45 minutes that's all about you! Even though it's in a group setting, you decide what weights to use and together we move through weighted and sometimes body weight only exercises. We work on our own strength and flexibility while sculpting our muscles and burning calories in a fun, music filled atmosphere.

**Pilates** – Controlled movements that engage your body and mind. Builds core strength and flexibility.

**Just Weights** – Get your heart rate up with a total body workout using your own body weight, the bar, and hand weights. Little to no cardio class will still get your heart pumping.

**Body & Balance** – A low impact format with a combination of balance exercises and body toning moves, keeps the body in motion.

**Zumba** – Dynamic aerobic activity using easy to follow Latin dance moves and at the same time strengthens your core muscle group.

**Spinning-various times and instructors** - Spinning is an aerobic exercise that takes place on a specially-designed stationary bicycle called a SPINNING bike. SPINNING burns serious calories and offers an awesome workout that makes your heart pump fast.

**Spinning Express** - The on-the-go 30 minute version of our traditional 45 minute class. Get in, Spin and be on your way!

**Spinning & Abs** – Spinning is an aerobic exercise that takes place on a specially designed stationary bicycle called a SPINNING bike. SPINNING burns serious calories and offers an awesome workout that makes your heart pump fast. 30 minutes of Spinning with 15 minutes of ab work for a more intense workout.

**Yoga Fit** - Yoga Fit is designed to improve the health, performance and mental acuity of individuals interested in improving their level of fitness. Based on the ancient fitness science of Hatha yoga, it blends balance, strength, flexibility and power in a fitness format. All fitness levels benefit from this class.

**Hatha Yoga** - Enjoy the harmonizing benefits of a full body stretch through this practice of stretching and strengthening, breath work, relaxation and meditation.

**Barre Fit** – Combine balance, core and strength with the use of a dance barre and your own body weight and you get Barre Fit.

**Tabata** – A high intensity interval training that consists of 8 sets of fast paced exercises each performed for 20 seconds interspersed with a brief rest of 10 seconds.

**Greatest HIITS** – High Intensity Interval Training using equipment from the weight room for a full body workout using core, cardio and strength. (This class takes place on Court 1)

**TRX**– Suspension training bodyweight exercise develops strength, balance, flexibility, and core stability simultaneously. It requires the use of TRX Suspension Trainer, a highly portable performance training tool that leverages gravity and the users body weight to complete hundreds of exercises.

**Strength Training Express** – 30 minute workout using a variety of equipment: free weights, bands and stability balls. Perfect for building strength and improving muscle tone of the entire body.

**Strengthen & Sculpt** – A class designed to help burn off excess fat while promoting muscle strength and endurance. We will use our own body weight, dumbbells, and kettlebells to meet our goals.

**Total Body Workout** – This is a high energy class that focuses on strength training, core work and cardio fitness using various equipment as well as your own body weight. This class is meant for everyone, no matter your fitness level.

**Cardio Kickboxing**-This is a class that combines martial arts techniques with fast paced cardio. Build stamina, improve coordination and flexibility, and burn calories as you build lean muscle with this fun and challenging workout.

**Bootcamp** – A high intensity interval training (HIIT) with bursts of cardio alternated with strength and abs.

**Water Aerobics**- A full body workout, working your cardiovascular and muscular system.
